Problem Resolution Procedure

Ideally, most problems can be resolved between you, the team parent/s, coaches, managers, or whomever the issue is with. If you have a problem, first go and address it with the individual/s and make every effort to resolve it. It is always the desire of the Board that persons attempt to work out their conflicts on their own, as adults, prior to submitting dispute to the Board. Verbal disputes will NOT be acted on. Your dispute must be IN WRITING for it to be discussed by the Board and for potential corrective action to be taken. If you believe a higher-level of review is required, use the formal procedure below.

Procedure

Purpose: To provide a means by which a conflict may be considered, discussed and resolved at the closest possible level to the point of origin.

Any dispute concerning a manager, coach, team mom, Chaperone, league parent, CGFP Board Member or league policy is the intended purpose for utilizing these procedures.

Formal Procedure: If informal efforts have not been successful in resolving the issue, you may utilize the formal procedure.

First Level of Appeal: If the issue has not been resolved to your satisfaction, you have the right to discuss it with your Division Representative. Every effort shall be made to resolve the issue in this manner.

Note: Division Representatives are encouraged to discuss the issue with the Player Agent for advice.

Second Level of Appeal: The appeal shall be directed to the Player Agent as soon as possible after dissatisfaction of the Division Representatives response.

League President Review: If satisfaction has still not been met, the issue shall be put in writing and forwarded to the President of the Board of Directors.
