

Clairemont Girls Fastpitch 100-Inning Game Fundraiser

What is it?

It is a marathon softball game played between two teams (red & blue) consisting of CGFP players. Games in each age division will be happening simultaneously at the CGFP softball field complex.

When is it?

Saturday, **March 20, 2010** beginning at **8 a.m.** and ending at dusk. There are no games scheduled this day so everyone in the league can participate in this fundraiser.

Who makes up the teams?

Two teams will be formed in each division by combining individual teams into one of two larger teams whose goal will be to play as many innings as possible in a day.

How does it work?

League teams will play mini games as part of the larger game rotating in and out of the larger game every hour or two based on playing division. All divisions except the 6U division will use pitching machines to speed play. With the consistency of the pitching machines, girls will get a limited number of swings during each at bat but should be able to get tons of at-bats throughout the day.

What do the players need to do?

Between now and the date **March 20, 2010**, players need to go out with their sponsor sheet and solicit sponsors that will pledge \$\$ for each inning that the players division plays that day. Sponsors may donate a flat fee if they prefer. Girls, want to win a

Electric Scooter (300 watt) and Nintendo DSI, how about some other cool prizes? If you get the highest amount of sponsorship dollars in your division, you win a **Nintendo DSI**. If your team gets the most sponsorship \$\$ in the division, your team will win \$\$\$. If you are the highest sponsorship solicitor in the whole league, you win an **Electric Scooter (300 watt)**. More information to come...

Sponsors could also win. For each \$5 in donation, sponsors will be entered into a raffle for cash, \$300 in all to be given away at closing ceremonies in May.

Why are we doing this?

First, it is a fundraiser for the league but more importantly it is a fun way for you and your parents to get to know all of the players and parents from your team. Secondly, we have some other cool things planned for the day. We plan to have a jumper, helmet painter, good food, music and much more aside from lots of softball. Girls will get the chance to play lots of different positions, get tons of at-bats against the pitching machines, and learn a lot about tournament play that most of them have never had the chance to be a part of.

Where is the money going?

Last year we installed a sink, corner cabinet, counter top, water heater and had the plumbing redone in snack bar 2. Replace the sprinklers main valves for fields 2 and 4. Purchase a new golf cart and BBQ. Provided offensives, defensives and pitching clinics to all players. We gave a softball to every player who registered.

There are additional improvements the board is seeking to achieve. We have started a wish list here are a few of the items:

Cement in the batting cages
Pitching Machine balls
Ice Machine for Snack bar 2
Metal lock box for field 1

Clinics
Balls
Scoreboards
Field drag

Replace floors in snack bar # 2 & 4
New catcher equipment for all division
Battery operated pitching machine for field 1
Field #1 Bleacher Upgrade
