Camp Program:

Proper instruction helps develop a strong softball foundation. Skill developed correctly at an early age can enhance a youngster's ability and build self-confidence and self-esteem, so that they can really enjoy the game of softball. Our goal is to teach these softball skills in a fun environment. We will be utilizing dry swings, batting tees, soft toss, cage time, and live batting practice. I urge you to consider the JP Longball Softball Camp this year.
